ABOUT UPSCALE RESALE

The UpScale ReSale & Design Challenge is a two-day fundraising event that engages local designers to create 10 x 10 vignettes using repurposed, refinished, and recycled items sourced from Habitat ReStores. These professionally staged displays are unveiled during Friday's VIP Preview Party, where guests vote for the People's Choice and Most Creative Transformation awards and have the opportunity to purchase featured items. The event opens to the public on Saturday, with all proceeds benefiting Cape Fear Habitat for Humanity.

ABOUT CAPE FEAR HABITAT FOR HUMANITY

Cape Fear Habitat for Humanity was established in 1987 and has served more than 400 hard-working families through the construction and rehabilitation of homes in the Cape Fear Region. Our families partner with us throughout the build process and pay affordable mortgages on the completed homes. Families are able to build their future home and financial independence through our homeownership program. The ReStore is a donation center and home store that supports Cape Fear Habitat while offering affordable access to home goods and building supplies in our community. Together, we strive to build homes, hope and community in the Cape Fear Region.

READY TO BECOME A SPONSOR?

Please reach out with any questions or to commit to your sponsorship

Dear Friend of Cape Fear Habitat for Humanity,

Thank you for your interest in partnering with us as a sponsor for the Cape Fear Habitat for Humanity UpScale ReSale & Design Challenge. The UpScale ReSale is more than a design show; it is Wilmington's most creative fundraising event that supports affordable housing efforts in our community.

As Director of our area ReStores, I am committed to making this an enjoyable community event that raises substantial awareness concerning the need for affordable housing in the Cape Fear region. In the past 9 years, this event has raised over \$180,000 toward that effort. We are determined to build off the success of past events and raise \$50,000 in a single event to support our mission of building homes, communities, and hope.

Supporting the UpScale ReSale event will provide you with an opportunity to support local affordable housing efforts while also increasing your company's brand in the community. Together with your help and generosity, we will reach our goal.

Sincerely,

Brent Byers
